Gainesville Invites Residents to Learn More About Street Improvements

Gainesville, Texas—The City of Gainesville is hosting the second workshop of its *Talk of the Town* series, this time with a focus on streets. Residents are invited to learn how street projects are prioritized and what repairs entail.

During the workshop, Gainesville City Staff will review the overall process behind street projects: how streets are selected for maintenance and improvements, the types of repairs used, and associated costs. After the presentation, there will be a discussion and Q&A opportunity, giving residents the opportunity to ask specific questions and gain a better understanding of the timeline.

Residents are encouraged to attend, listen, and participate in the conversation. No prior knowledge is required, though it'd be best to bring your curiosity and interest in learning more about how the City works.

WHEN: Saturday, February 14, 2026 at 8:00 AM

WHERE: Civic Center (311 S Weaver St, Gainesville, TX 76240)

TAGLINE: *Every neighbor. Every question. Welcome.*
